

Are

SCIENCE and

FAITH in *GOD*

Nobel Laureates Speak Out

ARTHUR COMPTON

(1892-1962)

AWARDED THE 1927
NOBEL PRIZE IN
PHYSICS FOR HIS
DISCOVERY OF THE
TRANSFER OF
ENERGY FROM
ELECTROMAGNETIC
RADIATION TO A
PARTICLE KNOWN
AS THE COMPTON
EFFECT.

“For me, faith begins with the realization that a supreme intelligence brought the universe into being and created man. It is not difficult for me to have this faith, for an orderly, intelligent universe testifies to the greatest statement ever uttered: ‘In the beginning, God...’”

ARNO PENZIAS

(1933-)

“If I had no other data than the early chapters of Genesis, some of the Psalms, and other passages of Scripture, I would have arrived at essentially the same picture of the origin of the universe as is indicated by the scientific data.”

AWARDED A 1978 NOBEL PRIZE IN PHYSICS FOR THE DISCOVERY OF COSMIC BACKGROUND RADIATION – PATTERNS THAT PHYSICISTS HAVE INTERPRETED AS SHOWING THAT THE UNIVERSE WAS CREATED FROM NOTHING.

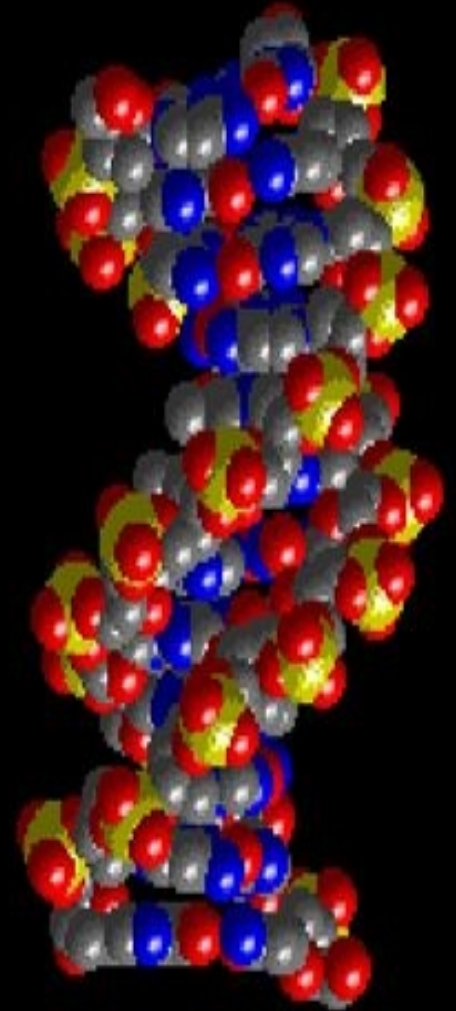

ERNST BORIS CHAIN

(1906 - 1979)

AWARDED A 1945
NOBEL PRIZE IN
MEDICINE FOR
HIS WORK WITH
PENICILLIN.

“The principle of divine purpose... stares the biologist in the face wherever he looks. ...The probability for such an event as the origin of DNA molecules to have occurred by sheer chance is just too small to be seriously considered.”

ARTHUR L. SCHAWLOW (1921 -)

SHARED THE
1981 NOBEL
PRIZE IN
PHYSICS FOR
THE
DEVELOPMENT
OF LASER
SPECTROSCOPY.

“When confronted with the
marvels of life and the
universe, one must ask
why the only possible
answers are religious.
... I find a need for God in
the universe and in my
own life.”

MAX BORN (1882 - 1970)

“Those who say that the study of science makes a man an atheist must be rather silly people.”

DEREK BARTON (1918 – 1998)

“There is no incompatibility between science and religion... Science shows that God exists.”

SHARED
THE 1954
NOBEL
PRIZE IN
PHYSICS
FOR HIS
WORK IN
QUANTUM
MECHANICS.

SHARED THE 1969 NOBEL PRIZE IN CHEMISTRY FOR THE CONCEPT AND APPLICATIONS OF CONFORMATION.

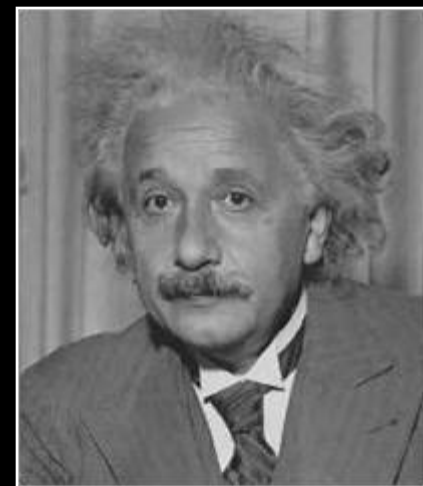

CHRISTIAN B. ANFINSEN (1916 – 1995)

“I think only an idiot can be an atheist.”

SHARED THE
1972 NOBEL
PRIZE IN
CHEMISTRY FOR
HIS WORK IN
AMINO-ACID
STRUCTURE
AND
BIOLOGICAL
ACTIVITY OF
THE ENZYME
RIBONUCLEASE.

ALBERT EINSTEIN (1879 – 1955)

“I only trace the
lines that flow
from God.”

AWARDED THE 1921 NOBEL PRIZE IN PHYSICS FOR HIS WORK IN THEORETICAL PHYSICS, ESPECIALLY THE LAW OF PHOTOELECTRIC EFFECT.

WILLIAM D. PHILLIPS (1948 –)

“So many of my colleagues are Christians that I can’t walk across my church’s fellowship hall without tripping over a dozen physicists.”

A portrait of William D. Phillips, a man with a beard and glasses, wearing a suit and tie.

AWARDED THE 1997
NOBEL PRIZE IN
PHYSICS FOR USING
LASERS TO PRODUCE
TEMPERATURES ONLY
A FRACTION OF A
DEGREE ABOVE
ABSOLUTE ZERO.

“The heavens declare the glory of God; the skies proclaim the work of His hands. Day after day, they pour forth speech; night after night they display knowledge.”

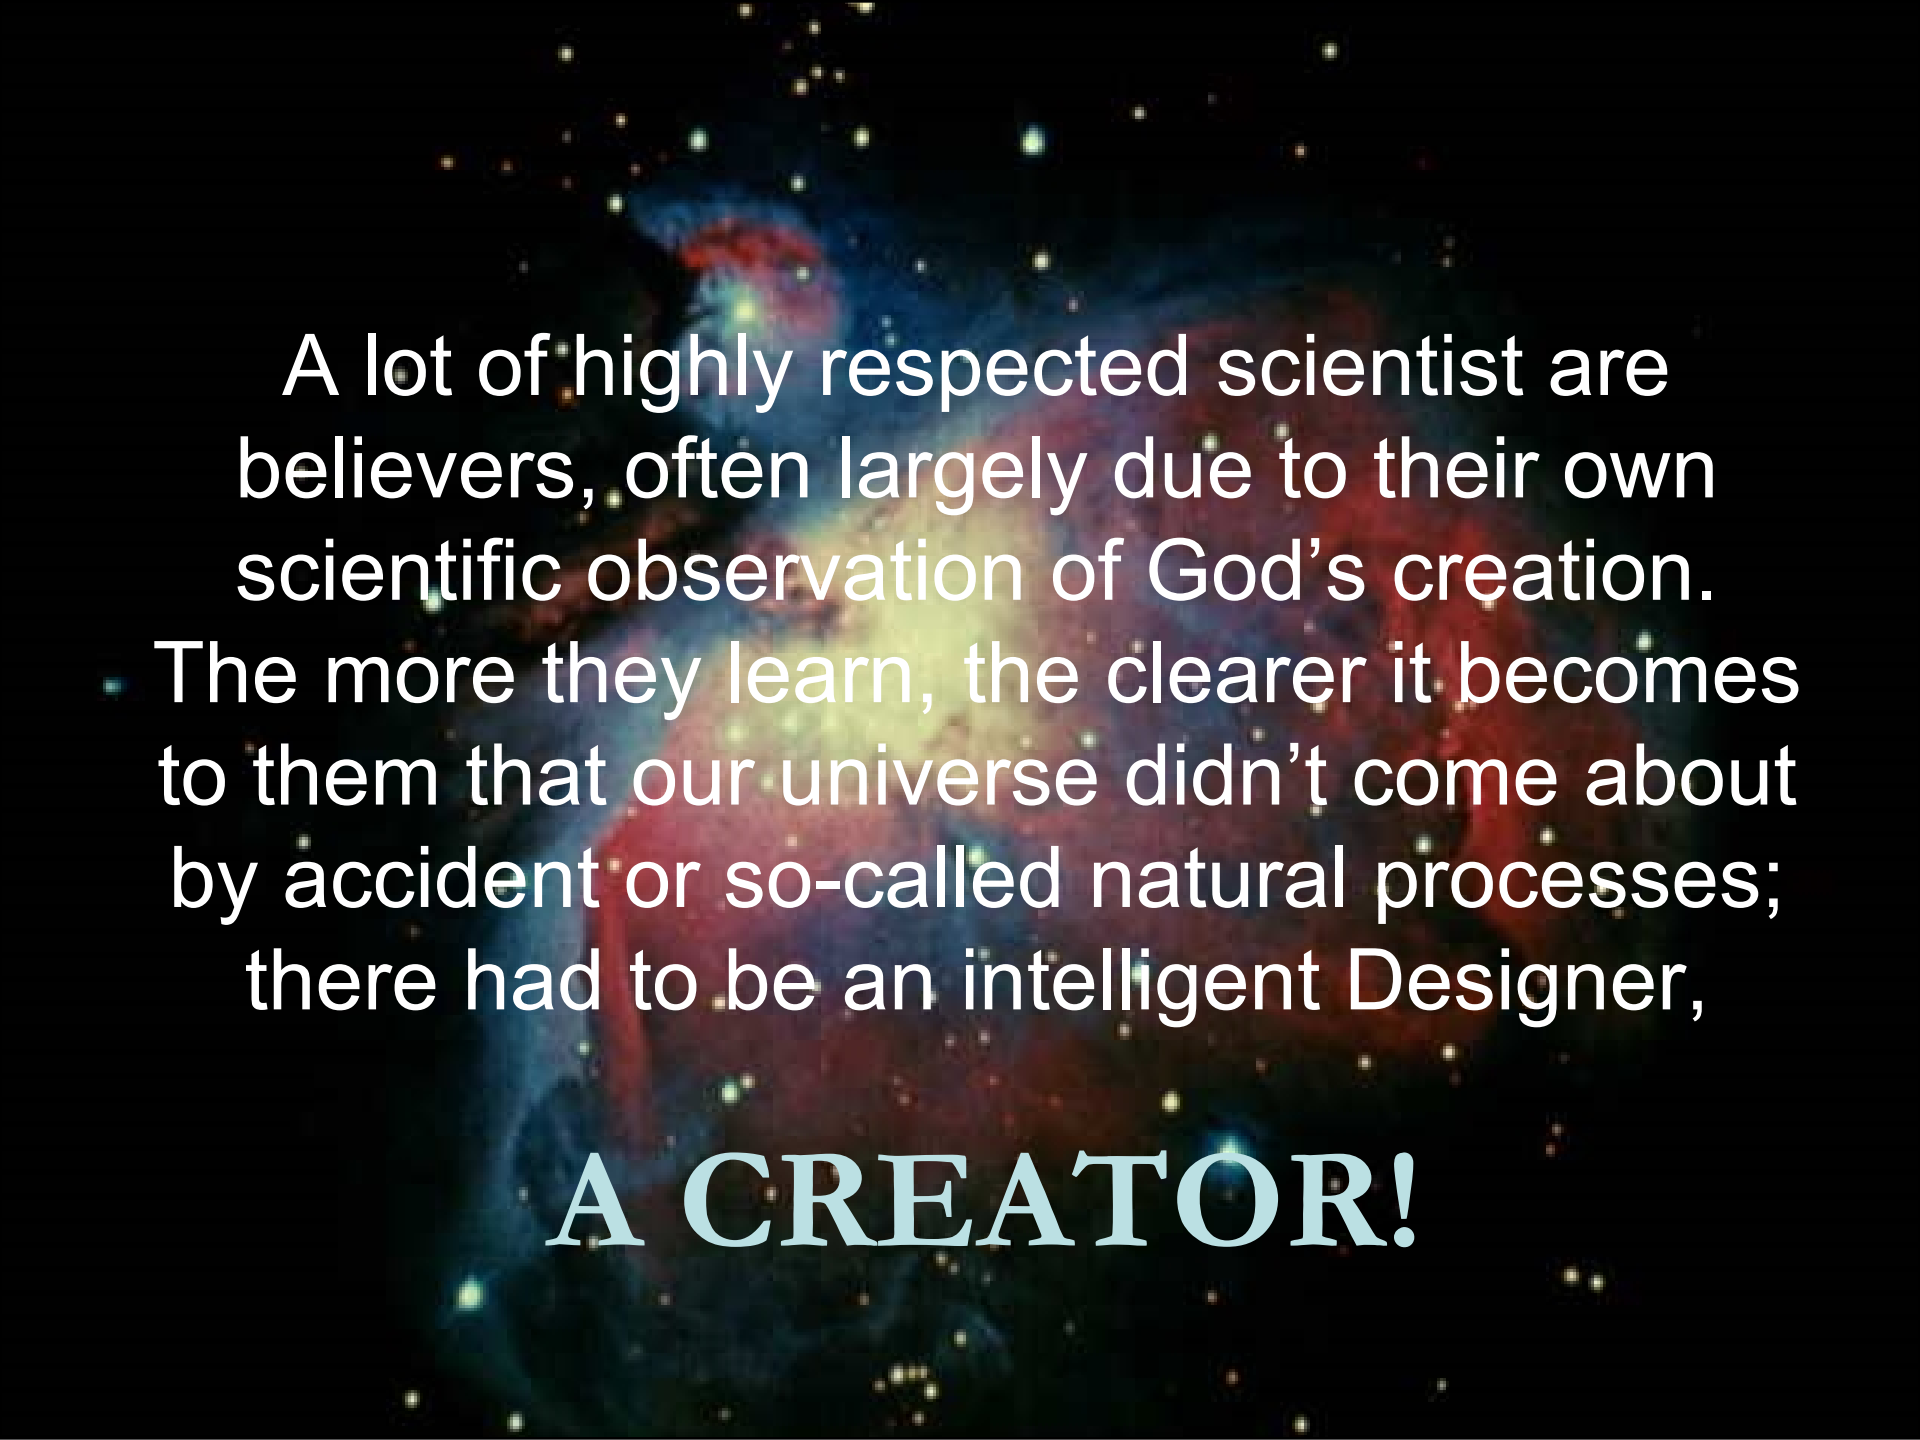

PSALM 19:1-2

“Since the creation of the world, God’s invisible attributes are clearly seen, being understood by the things that are made.”

ROMANS 1:20

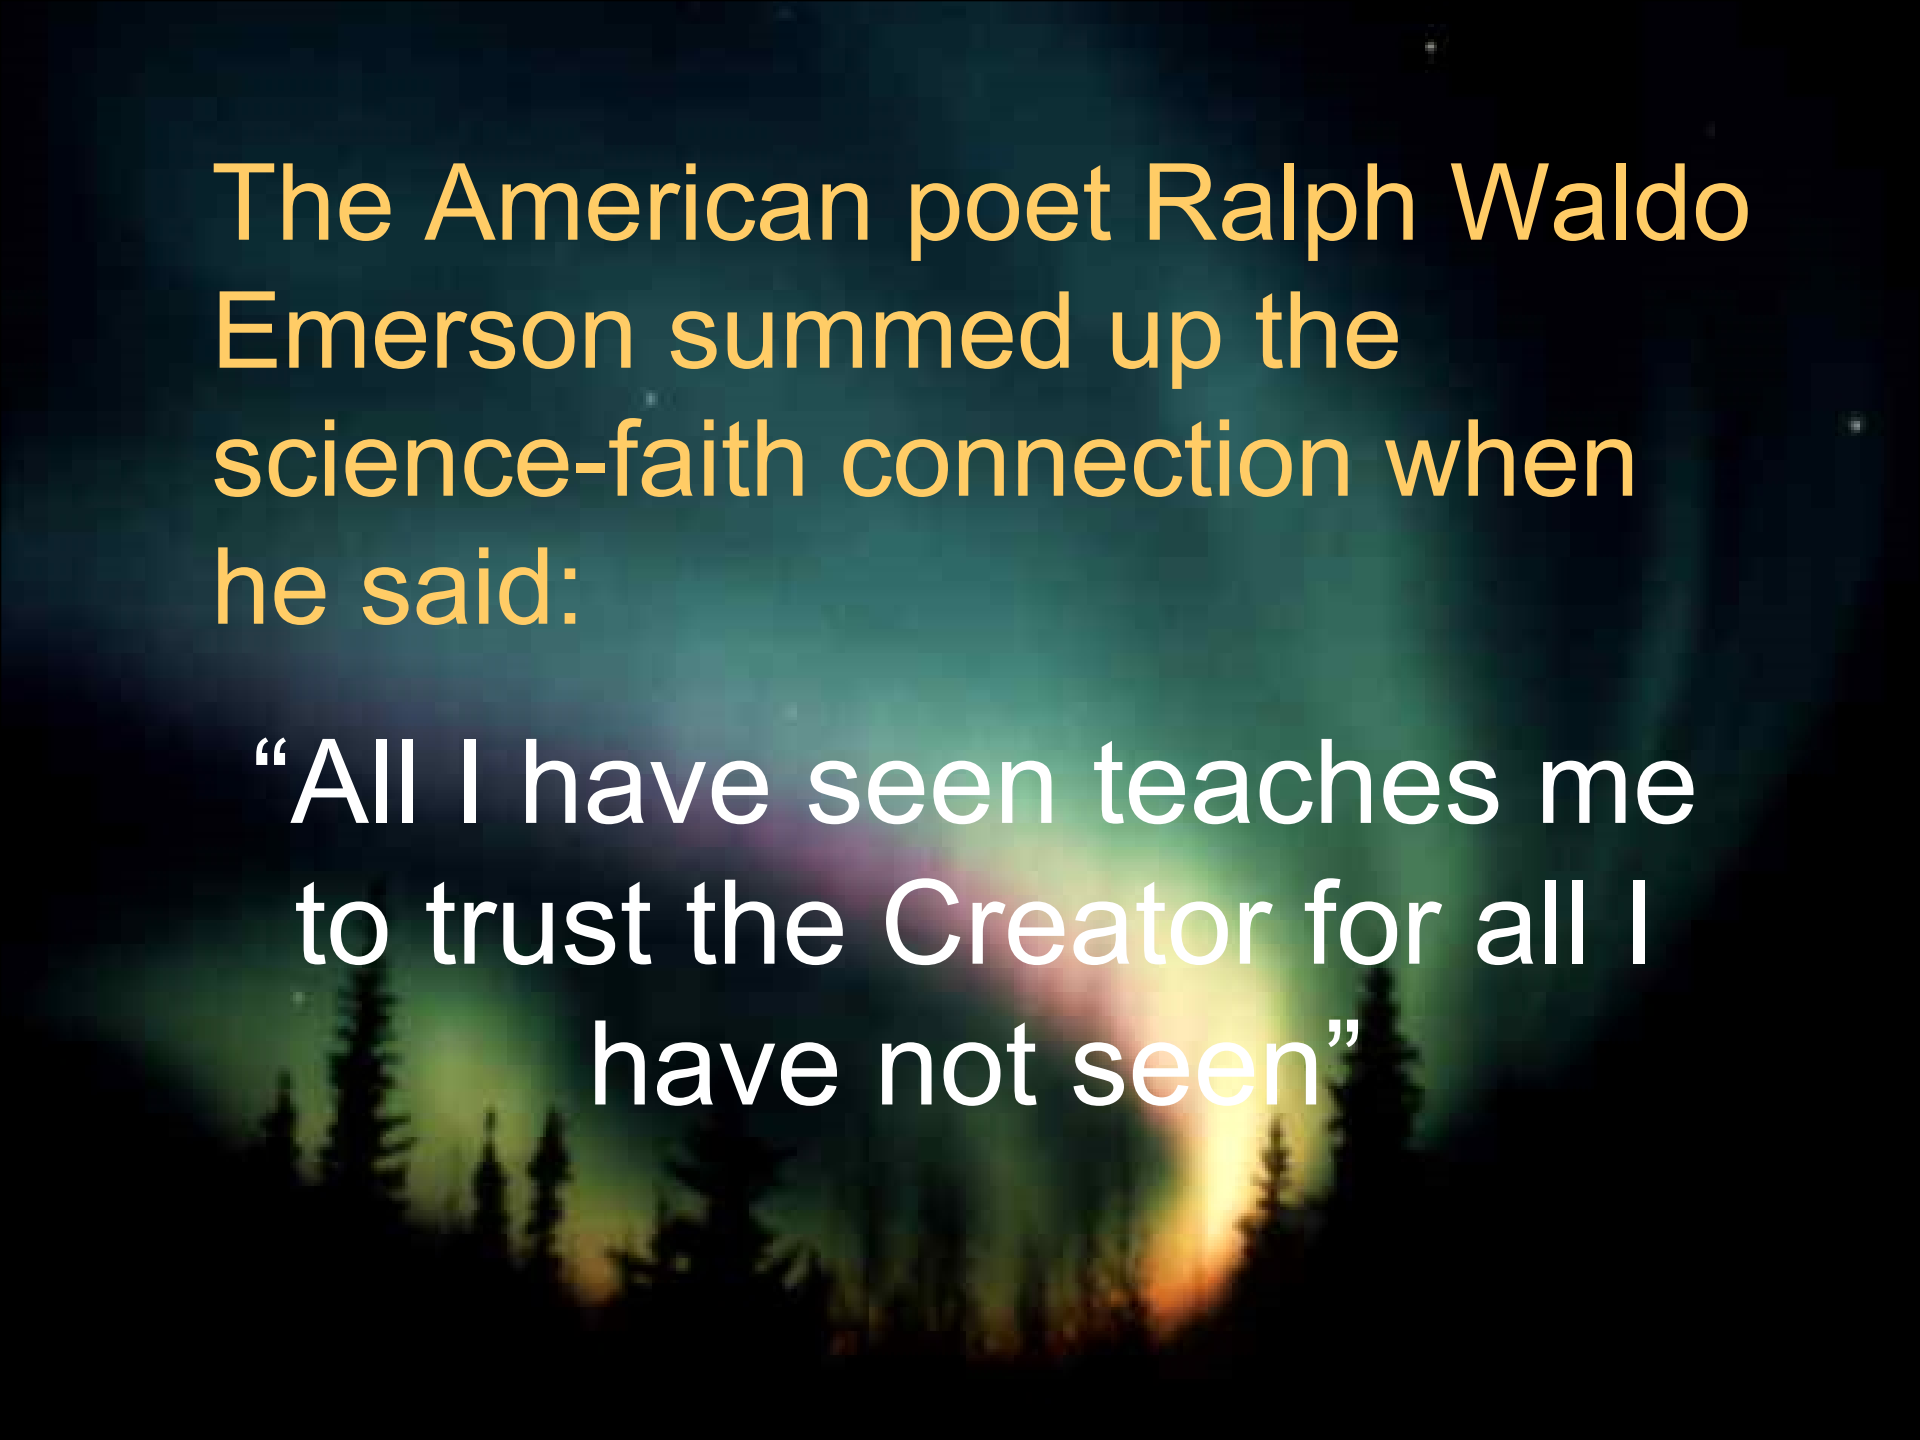

True science points to God and thereby validates faith in God.

A lot of highly respected scientist are believers, often largely due to their own scientific observation of God's creation. The more they learn, the clearer it becomes to them that our universe didn't come about by accident or so-called natural processes; there had to be an intelligent Designer,

A CREATOR!

The American poet Ralph Waldo Emerson summed up the science-faith connection when he said:

“All I have seen teaches me to trust the Creator for all I have not seen”

DO YOU KNOW HIM?

“whom to know is life eternal”

He has manifested Himself to the
world through His Son

Jesus

Jesus said:

“He that hath seen me hath seen the Father”
(John 14:9)

If you haven't yet received Jesus into your life,
you can do so now by praying the following:

“Dear Jesus, I want the gifts of
eternal life, love, and purpose
that You offer. I open my life and
heart to You now, and accept
You as my Savior. Please forgive
me for all the wrongs I've done,
give me a fresh start, and help me
get to know you and Your love.
Amen.”
