

It is madness...

To hate all roses  
because you got scratched with one thorn...

To give up on your dreams  
because one didn't come true...

To lose faith in prayers  
Because one was not answered...

To give up on your efforts  
Because one of them failed...

To condemn all your friends  
Because one betrayed you...

Not to believe in love  
Because someone was unfaithful or didn't love you back...

To throw away all your chances to be happy  
Because you did not succeed on the first attempt....

I hope that as you go on your way  
You don't give in to madness

Remembering always ...

Another chance may come up

Another friend

A new love

A renewed strength

Be persistent

Look for happiness in every day

The sure path to failure is to give up! It is often through failure that future success come – KEEP TRYING!

God bless you.
