

If between friends and partners  
we were geese...  
Ah!

The next season,  
when you see the geese migrating,  
going to a warmer place,  
to sort the winter...

Pay attention that they fly in a “V” formation  
Maybe you will be interested in knowing  
Why they do it this way...

By flying in a “V” formation....

The whole flock increases  
the flight efficiency by 71%

Compared to just one bird flying alone

## Lesson 1:

Sharing the same direction  
and working as a team, get us  
to the destination quicker and  
easier.

By helping ourselves, the  
accomplishments are greater!

When a goose leaves the formation..

It feels the resistance of the air and the difficulties of flying alone...

Then, it quickly comes back to the formation to take advantage of the the flock's power in front of it ..

## Lesson 2:

By staying in tune and united beside those who are going in the same direction, the effort will be less.

It will be easier and pleasing to reach the goals,

Everyone will be inclined to accept and give help.

When the leader goose gets tired of flying...

... It goes to the end of the “V” formation.  
While another goose takes the lead.

## Lesson 3:

To share the leadership,

There must be mutual respect between us  
all the time...

Sharing the hardest problems  
and tasks..

Gathering our abilities and  
combining our faculties,  
talents and resources....

The geese flying on a “V” formation, they quack to encourage the ones in the front

In that way, they keep the same speed.

## Lesson 4:

When there is courage and encouragement,  
the progress is greater..

A timely word of encouragement,  
always motivates, helps and strengthens..  
It produces the best of benefits...

When a goose gets sick, injured  
or gets tired...

And it must leave  
the formation...

Other geese leave the formation too,  
and they fly with the injured goose to help  
and protect it.

They remain with it  
until it dies  
or until it is able to fly again.

They reach their bevy  
or they just make another “V” formation.

Lesson 5:

Let's stay  
beside each other  
no matter what the differences.

Specially in times of difficulty  
and great challenges..

If we bond together and support  
each other..

If we make true the spirit of  
teamwork..

Regardless of our differences, we  
can rise to meet our challenge.

If we understand the real value of  
friendship..

If we are aware of the feeling of  
sharing..

LIFE WILL BE EASIER  
AND THE PASSING OF YEARS  
MORE FULFILLING ..

**MY FRIENDS AND PARTNERS...  
LET'S BE LIKE THE GEESE!!!**
